

UNIVERSITY OF MICHIGAN
SCHOOL OF NURSING

Placement Announcement:

**University of Michigan
Dean of the School of Nursing**

The primary mission of the School of Nursing is to promote the health and well being of society by educating nurses for leadership and practice roles in health care, by contributing to the development of a scientific body of knowledge, and by providing service. Further more, the School seeks to achieve its mission by building a community that values and respects and, indeed draws its intellectual strength from the rich diversity of people.

Mission of the School of Nursing

PLACEMENT: Dr. Kathleen Potempa

The Hollander Group is pleased to announce that Dr. Kathleen Potempa has been chosen by the University of Michigan to fill the position of Dean of the School of Nursing. Dr. Potempa comes to the School from Oregon Health Sciences University.
