

PLACEMENT ANNOUNCEMENT:

Director, School of Nursing
Anchorage, Alaska

“As a partner in shaping health care for Alaska, the School of Nursing educates students for current and future roles in local, state, national, and worldwide arenas. The School addresses the diverse and unique health care challenges across the state by sharing expertise in education, service, policy, and political arenas and through innovative research for the discovery and dissemination of new knowledge.”

Mission of the School of Nursing

PLACEMENT: Dr. Jean Ballentyne

The Hollander Group is pleased to announce that Dr. Jean Ballentyne has been chosen by the University of Alaska Anchorage (UAA) to fill the position of Director, School of Nursing. Dr. Ballentyne is coming to the University of Alaska Anchorage from Montana State University in Bozeman.
